GNC Genco Electro
We supply trust

gencoelectro.com

COMPANY PROFILE

GNC Genco Electro, taking its strength and experience from the rich career history and reliability of its founders, was established in 2023. GNC Genco Electro aims to supply products especially lighting, decorative lighting, solar, energy and low current cable, pipe, conduit, gland, relays, measurement devices, cable trunking, transformer, cable reel, switch-socket, group socket, distribution box, panel, low and medium voltage switchgear etc. from domestic and national suppliers and to send 140 countries of the world.

GNC Genco Electro has been established to provide fast and reliable solutions for the wholesale, retail and project requirements of its business partners in the sectors, especially in the electricity sector.

GNC Genco Electro also provides consultancy services to the leading manufacturers of the industry in the field of export, providing services such as managing existing and new customers, searching target markets, making field visits, representation in fair organizations and support in communicating with visitors after fairs, support in export operation processes, support in product development according to market demands.

GNC Genco Electro has always prioritized to take quick actions upon demands with its young, dynamic and experienced staff and to present best solutions at the optimum price - quality level. GNC Genco Electro aims to establish a strong logistics and supply network in Europe, the Middle East and Africa with its newly opened offices in France, Germany, Kosovo, Senegal and Dubai. At the same time, GNC Genco Electro aims to be one of the leading companies in Turkey in the e-export sector, which is expected to surpass traditional exports in the next 5 years, with its branches established in England and Dubai.

Focusing on establishing long-term relationships with both its business partners and suppliers, GNC Genco Electro has made it its mission to stick to the commercial ethical principles based on trust.

GNC Genco Electro, which combines the brand awareness and quality of its domestic and national partners with its internal dynamism and strong customer relations, has adopted the principle of providing trust and quality product supply to its business partners.
